## People are Willing to Contribute

Feasibility Study Report Summary

## Projected Large Gifts

## Is The Goal Achievable?

## Recommendations

Church leadership determine final projects

Determine timetable, recruit campaign leadership, begin materials development as soon as possible.

Integrate Planned Giving activities alongside capital and annual campaigns.

## Project Priorities - High Priority

### Projects receiving the highest priority scores:

- A. Maintenance Fund
- B. Assistant Minister
- C. Sanctuary Improvements
- D. Parking Lot

### Positives in our Favor

- Continuing stream of new membership; growth of young families
- Lots of very dedicated, committed, and invested people
- Clyde is a stable rector after years of instability. The problems of the past are far in the past and no longer present

### Possible Problems

- Raising the money
- Aging congregation with limited funds
- The goal is too high/unattainable

### Who's Going to Help?

14% said YES to volunteering

34 people were identified by others

55% were unsure about volunteering! We'll be calling you soon!

**9 respondents** indicated they had already left St. Andrew's in their will or estate plans
